HL H₂S REDUCER

SULFIDE REMOVER

Description: HL H₂S REDUCER is a highly concentrated H₂S reducing product that will eliminate H₂S odor in a very short period of time.

Benefits:

- No VOC
- Low use dilution
- Can be used continuously at low levels to eliminate H₂S
- Manually applied or can be applied by automation.

Physical Properties

Appearance: Clear Colorless Liquid
Density: 9.5 lb/gal
pH (as is): 12
VOC: None
Solubility: Miscible in water

Usage: Typically used between 1 – 5 gallons/1000 gallons for water that has been settled for long periods of time for maximum H₂S removal.

Safety: Read and understand label and Safety Data Sheet (SDS) for complete listing of hazards, precautions, first aid statements, and storage and handling information.
